

NEIGHBORHOOD BRIEFING

June 11, 2015

Dear Customer,

Please join SDG&E at a neighborhood briefing on the upcoming natural gas pipeline replacement project on Del Cerro Boulevard. The details are as follows:

Wednesday, June 17
6:30 p.m. – 7:30 p.m.
Hearst Elementary School Auditorium
6230 Del Cerro Boulevard
San Diego, CA 92120

Project Details:

Projected Start Date:	Mid June, 2015
Projected End Date:	Beginning of February 2016 although weather and other factors could affect the schedule. Construction portion of work is scheduled for the summer when school is out.
Construction Locations:	This phase of construction will take place on Del Cerro Boulevard across College Avenue to Airoso Avenue near the water channel.
Construction Times:	Monday through Saturday, from 7:00a.m. – 5:00 p.m.
No Service Interruption:	Your gas service should continue without interruption however if something changes, an SDG&E representative will contact you.
Access:	Access to your property will not be impacted; however there could be traffic delays due to construction.

Sincerely,

Jerry Butkiewicz, External Affairs
Office (858) 654-1507
