Letter of Response PTS 418067

To: GLENN SPINDELL

RE: CROWN CASTLE BU#827630

LANDSCAPING & EQUIPMENT AREA PHOTO SURVEY

Dear Glenn,

In response to the cycle letter for this project dated 5/1/2014. I was able to track down some construction drawings from the original site build. Since the site was built the Church was done improvements to the surrounding area. This includes a sitting area inside a new decorative wall and additional landscaping outside that

LDR Landscaping

1. (N) Landscaping package included with previous plan view and existing photo survey of Equip area
2. (N) Landscaping package included with previous plan view and existing photo survey of Equip area

Please let me know if any additional information is required.

Thank you,
